

**Notice Regarding Amendments to the “Notice Regarding Commencement of Tender Offer for Shares of NuFlare Technology, Inc. (Code: 6526)” in Relation to an Extension to the Tender Offer Period for Shares of NuFlare Technology, Inc.**

Toshiba Electronic Devices & Storage Corporation (the “Tender Offeror”) announced in its press release, dated November 13, 2019, entitled “Notice Regarding Commencement of Tender Offer for Shares of NuFlare Technology, Inc. (Code: 6526)”, that it resolved at its board of directors’ meeting held on November 13th, 2019 to acquire the shares of common stock of NuFlare Technology, Inc. (the “Target Company”; Code: 6526, Tokyo Stock Exchange, Inc. JASDAQ Standard Market) through a tender offer under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended) (the “Tender Offer”).

After the announcement, the Tender Offeror received a request from the Target Company to extend the purchase period of the Tender Offer and dates related to it (“Tender Offer Period”) by 10 business days, in order to allow enough time for the shareholders of the Target Company to consider whether to offer their shares of common stock of the Target Company in response to the Tender Offer, as a precondition for the Target Company to maintain its agreement to and recommendation of the Tender Offer. As of December 20, 2019, 16,030 common shares of the Target Company (approximately 0.14% of the outstanding common shares of the Target Company) had been validly tendered and received in response to the Tender Offer; provided, however, that a shareholder that has offered its shares of common stock of the Target Company in response to the Tender Offer may, at any time during the Tender Offer Period, withdraw such offered shares.

As a result of deliberation by Toshiba Corporation (“Toshiba”) and the Tender Offeror upon receiving this request, and on the assumption that the Target Company will maintain its agreement to and recommendation of the Tender Offer, Toshiba has decided that the Tender Offeror shall extend the Tender Offer Period through January 16th, 2020, making the Tender Offer Period a total of 40 business days.

Based on this, the “Notice Regarding Commencement of Tender Offer for Shares of NuFlare Technology, Inc. (Code: 6526),” dated November 13th, 2019, has been amended as described below.

An electronic public notice (electronic public notice address: <http://disclosure.edinet-fsa.go.jp/>) of this extension of the Tender Offer Period will be made as a notice of change to conditions to a tender offer, and a notice to that effect will immediately be published in the Nihon Keizai Shimbun.
